

## **ONLINES UNAVAILABLE FOR DOCUMENT FINANCIAL TABLE ARCHIVE**

On Saturday, March 9, 2002, MAIN FACS on-lines will not be available after 1:00 p.m. to the users. On that day, MAIN will archive data from the Document Financial Table for fiscal years 1999 and earlier. Users will be able to use inquiry screens for fiscal years 2000 and later without any visible effects. Starting Monday, March 10, 2002, if users try to use fiscal year 1999 or earlier on the following screens, no data will be retrieved:

S059 Vendor Document Inquiry  
D064 Document Record Inquiry

Code modifications to R\*STARS, so that archiving of data from Document Financial Table has no impact on transaction processing, will be moved to production before the batch run of Wednesday, February 27, 2002.
